**Subject: Draft Work Plan, Fourth and Gambell Vapor Mitigation System Design  
Anchorage, Alaska**

Dear Mr. Chernick:

Please find attached one electronic copy of the Draft Work Plan for the above referenced project. This work plan includes a Sampling and Analysis Plan (SAP), Quality Assurance Project Plan (QAPP), Waste Management Plan (WMP), draft Monitoring and Maintenance Report (MM&R), and a Site-Specific Health and Safety Plan (HASP). We look forward to receiving your and EPA's comments.

Thank you for this opportunity to assist EQ on this project. If you have any questions, please contact us at (907) 865-3865.

Sincerely,

**Ahtna Engineering Services, LLC**
